

This list includes only general purpose classrooms (GPCs), which are scheduled by the Office of the Registrar. Other classrooms and laboratories are scheduled by the department to which they are assigned. Contact the appropriate department for information on rooms not on this list.

The first column under each building abbreviation and location lists general-purpose classrooms in the building, the second lists room capacities, and the third lists room features. General-purpose classroom hours are typically 6:30 a.m. - 11:45 p.m.
